2022 Scottish National Age Group Swimming Championships

Eligibility and Entry

All competitors must be registered with their National Federation to be eligible to compete (FINA Rule GR 1.1). To compete for a Scottish Club or Team at National Age Group Championships, competitors must be registered with SASA and must have paid their current registration fee.

Any athlete eligible to represent Scotland in accordance with Company Rules R4.5.3 who is not a member or a club affiliated to SASA, who wishes to be recognised as 'Scottish' must register with SASA.

National Eligibility – Scottish Swimming Company Rule R4.5.3

R4.5.3 - A competitor selected to represent Scotland must be a registered member of SASA as per SASA Constitution C3.3 or C.3.5.1. and must be either:

- A native of Scotland, **or**
- A person with a Scottish mother or father, **or**
- Satisfy either of the following residential criteria:
 - I. For the Commonwealth Games - In line with current Commonwealth Games Federation Regulations or Guidelines (see Commonwealth Games Swimming selection policy for details).
 - II. For all other Meets - A person who has been resident in Scotland for a minimum of 12 months prior to the first day of competition.
- Individual Age Group events and Relay events are defined as age at 31st December 2022.
- No more than 3 swimmers who do not qualify as Scottish (see above) will be allowed to progress into any Final.

Individual Consideration Times (CT)

May be used by competitors registered with SASA if they:

- a) Are competing for a Scottish Club or Team, **or**
- b) Qualify for National Eligibility (as defined by Company Rule R4.5.3) and are registered with SASA having paid their current registration fee.
- c) Please Note: Consideration Times do not guarantee acceptance and may be restricted in order to manage session lengths.**

Individual Qualifying Times (QT)

Competitors as defined above with an entry time equal to or faster than the **Qualifying Times (QT)** will be guaranteed acceptance (subject to time verification).

Individual Non-Scottish Time (Non-Scot)

Entries submitted by all other swimmers must be equal to or faster than the **Non-Scottish Time (Non Scot)**. These swimmers will be guaranteed entry acceptance (subject to time verification) with the exception of 800m and 1500m events where the Non-Scot time will be treated as a consideration time rather than a qualifying time.

All competitors must enter times achieved in accredited competitions held between 1 January 2020 and 30 March 2022 and either be 50 metre pool times or conversions to 50 metre pool times (Official conversion tables: Hy-tek standard conversion or ASA conversion tables may be used).

Team Entries and Relay Consideration Times

This year there **ARE** consideration times for Relays (see page 8) and these are applicable to all clubs and teams. Clubs must submit a time based on the individual times of the team members. This will be used for seeding purposes and must be capable of verification. If it is necessary to restrict the number of relay entries, this will be done on the basis of entry time.

Proof of Entry

A proof of entry times report is required in accordance with SW2.1.2.5. Random checks on entry times will be carried out prior to and during the event. Any swimmers submitting an unaccredited entry time will automatically be withdrawn from all entered events and will forfeit all entry fees.

The organisers reserve the right to restrict entries to ensure a good standard of competition. If it is necessary to reject entries, this will be done on the basis of entry time, slowest to fastest, excluding guaranteed acceptances as detailed above.
