

## **DYCE AMATEUR SWIMMING CLUB**

### **DEVELOPMENT SQUAD**

Does your child really enjoy swimming and interested in progressing into a swimming club but you feel that they are not quite ready or struggling with one particular stroke and unable to progress?

We have a development squad to work with swimmers that are struggling with stroke technique, whether it be breathing, breast stroke kick or just not sure what to do next, we are able to help them by working with a small amount of swimmers to help them progress into the competitive squads.

If they are currently attending Sport Aberdeen lessons at SS4 or club ready level, they can apply to join this session but if still in SS4 they must stay in that class alongside the development squad until they complete SS4. It is also recommended that Club ready should be attended until lessons end.

We hold this session once a week either on a Monday 5 to 6pm or Tues 5.45 to 6.45pm at Dyce Academy pool during term time. Another day can be arranged if this is not possible.

Please give our membership secretary a call or email to find out more & arrange a trial.

Membership Secretary – Carolyn Davidson
